Springers for every game

LEDON Originals has a large selection of springers shaped like animals and vehicles. All the springers are ideal for role-playing – feeding the horse, mending the motorcycle etc. In addition, they strengthen motor skills and balance, as the children need to use their arms and legs to hold on while rocking back and forth.

The springers are all made of low-maintenance materials with ergonomic nylon handles that minimise the risk of dental damage and ensure that children's hands do not stick to them in frosty weather.

Why choose LEDON Originals?

- The safe choice – a series of proven playground favourites for generations.
- Play equipment manufactured to the high quality for which we are known and with a focus on safety.
- Individual pieces of play equipment that can enhance the play value of existing playgrounds.
- A wide range of play equipment to suit every need.

Specifications

Article number

302293C: Surface mounting
302293G: In-ground mounting

Recommended ages

From 1 year

Product dimensions (LxWxH)

77 x 38 x 74 cm

Area requirement incl. safety distances (LxW)

277 x 238 cm

Max. fall height

45 cm

Approximate installation time

1 person 1 hour

Other details

This product is inclusive

This product can be installed directly on grass without additional fall protection
